

2019年度 指定校、関係校、教育連携校、伝道者、社会人推薦入学試験問題

(国際学部 グローバルスタディーズ学科)

(科目名:小論文(英語での小論文))

2018年11月11日(日)

受験番号		氏名	
------	--	----	--

In an interview after receiving his 2018 Nobel Prize in Medicine, Prof. Tasuku Honjo stressed the importance of not taking what we learn from textbooks for granted. Instead, he said, we should never settle until we are convinced by our own observation. Do you agree or disagree with him? Include examples from your own experience to support or challenge Prof. Honjo's statement. Please answer this question in English (250 words at the minimum).
